## “Webinar on Development of Leadership Skills”

N

Nilesh Bodne is presenting

INTRODUCTION

**LEADERSHIP** can be defined as one's ability to get others to willingly follow. Every organization needs leaders at every level. Leaders can be found and nurtured if you look for the following character traits.

A leader with vision has a clear, vivid picture of where to go, as well as a firm grasp on what success looks like and how to achieve it. But it's not enough to have a vision; leaders must also share it and act upon it.

A leader must be able to communicate his or her vision in terms that cause followers to buy into it. He or she must communicate clearly and passionately, as passion is contagious.

A Webinar was organized by T&P Cell of VIT on **“Development of leadership skills” for students** on 27/09/2020. The main objectives of this webinar were to improve leadership skills, to enhance good communication, interpersonal skills for the overall personality development and to formulate and implement effective leadership strategies. The resource person for the webinar was Dr. Nilesh Bodne Vice-Principal Vidarbha Institute of Technology.

Dr. Bodne Said, leadership skill is integral to all aspects of life. In order to carry out one's tasks and activities in a well-organized manner, guide and lead others in the right direction and in promoting well-being of themselves and community, it is vital for the individuals to develop leadership skills.

Sir also stated that there are various strategies that are necessary for students to put into operation for developing leadership skills like Focused towards Goals, Knowing Other Individuals, and Identification of Responsibilities etc. It was a successful webinar which helps students to understand about the importance of leadership skills.

## "Seminar on Personality Development"

Seminar on "Personality Development Program" was organized by Training & Placement Cell of VIT on 11th September, 2018. The main objective of the Workshop was to familiarize Students with the emerging ideas and trends on how to develop personality in the 21st century contexts. The program also aimed to teach Students to work with various professionals, people and groups to understand the meaning of life and work in the present context; to enhance their communication skills and interpersonal skills in order to function in professional and social settings effectively; to enrich the academic language skills (writing and presentation skills) for academic writing and presentations; to understand effective planning, time management and implementation for setting goals and achieving both personal and professional goals; to learn to evaluate oneself (self appraisal and introspection) for further growth, personally and professionally. Human personality influences and impacts the functioning of an individual and organizations.

The fact that humans are social is determined by individual as well as collective contexts. Understanding one's own personality and nurturing it well enables one to be a fine human being and an effective professional. Main purpose of conducting this workshop to teach students to learn how to cope with the problems and face the hardships while shaping out careers to become professionals. This Seminar is conducted by Dr. Akshad Vaidya Sir.

Some details of the Interview Techniques & Resume Building:

Interviewing techniques are practices that can help you convince hiring managers that you are the best candidate for the job in question. Depending on the stage and type of the interview, different techniques can improve your chances of getting hired. It is important to know the different interview techniques so that you can use them appropriately at each stage. These techniques can show the recruiter that you are genuinely interested in the job, display professionalism and show that you have prepared well for the interview.

. The aim of this program was to

- To aware students about the need to understand importance of interview skill.
- To understand the how to be confident while giving interview and what are the techniques to acquire.
- To identify the latest scenario.

Dr. Sadanand Deshpande (Principal of VIT) was the resource persons on this special event.

## About College

VIDARBHA INSTITUTE OF TECHNOLOGY is providing the student community an Opportunity to steep into the competitive world squarely so that they do not find themselves at a great disadvantage mainly owing to weak foundation and inadequate coaching in their formative years. Our teaching staff has been chosen from those who have already spent considerable years in the profession. Every bit of the teaching program would be closely monitored regularly so that we are able to correct the students at the right time. In today's scenario the students population continues to be deprived of quality education even where basic amenities are provided. Several of those passing out of the system are in no way equipped to stand shoulder to shoulder and compete with their more privileged counterparts in National Institutions. We are at VIT would strive to reverse this trend and situated close to a rural population would strive to provide the rural population also and opportunity to encourage their children to go in for higher education.

## LANGUAGE LAB

The college has a well - functioned language lab that facilitates students to practice the language via computer-based exercises and activities. The language lab interactive courses provide a very different experience from the traditional system of teaching and learning English, offering more advanced features and functionalities. The lab offers the students a structured e- learning environment to practice English in an entertaining and interactive way to acquire the main language skills such as listening, speaking, reading, and writing. The effective use of the lab will enhance their active vocabulary and improve their proficiency in speaking the language. The Language lab is powered by BIYANI Technologies PVT LTD, equipped with 20 computers with high speed internet facility and audio-visual aids to refine the linguistic skills of the students. The lab can accommodate 20 students at a time and provide adequate facilities for effective teaching and learning of various aspects and skills of English language.

Teacher in- charge of Language Lab is Mr. Roshan Natke, Department of Communicative English.

Students availing the Facility of Language Lab

The number of students who availed the facility of the Language Lab during the period 2021- 2022 to 2017-2018 is as follows:

Academic Year	Number of students benefitted
2021-22	215

### **"Feminine Hygiene Awareness Program for the women"**

#### **under "The Daughters of New India"**

This year India is celebrating its **75<sup>th</sup> Independence Day**. A series of events namely **Azadi Ka Amrut Mohatsav** have been planned throughout the country. It is an initiative to celebrate and commemorate 75 years of progressive India and its glorious history, people, culture and achievements. In this regard Vidarbha Institute of Technology, Nagpur of **Women's Development Cell** of VIT College had organized the Mission & Event of the **"Feminine Hygiene Awareness Program for the women"** under **"The Daughters of New India"** on **Saturday 08<sup>th</sup> August 2022**.

**Women's Development Cell** Convener Prof. Kiran M. Kimmatkar and **NSS Officer** Prof. Saurabh V. Lawate organized & conducted with a mass pledge that the campaign and efforts to continue **Feminine Hygiene Awareness Program for the women** translates to 'Save the girl child'. The aims to educate Women and adolescent girls using a clean menstrual management material to absorb or collect blood that can be changed in privacy as often as necessary for the duration of the menstruation period, using soap and water for washing the body as required, and having access for girls of **Heti Village (Welsakra Gat Gram Panchyat) & Anganwadi Kendra Heti**. Thus to increase access to and use of high quality sanitary napkins to adolescent girls in rural areas. Around 68 students of different branches had participated in these activities.

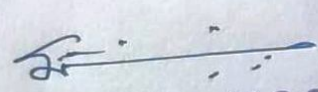

To ensure safe disposal of Sanitary Napkins in an environmentally friendly manner that aims to generate awareness and improving the efficiency of welfare services meant for women and especially girls.

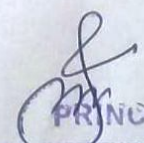

- ✦ Also Don't keep your pad on for too long. ...
- ✦ Ensure your tampons are scrupulously clean. ...
- ✦ Keep washing your vagina at regular intervals. ...
- ✦ Don't use too many soaps or vaginal washes down there. ...
- ✦ Dispose your sanitary pads the right way

**Dr. S. B. Deshpande** (Principal), **Dr. Nilesh Bodne** (Vice-Principal, VIT College), **Women's Development Cell** Convener **Prof. Kiran M. Kimmatkar** enlarge the campaign and importance towards **Feminine Hygiene Awareness Program** to represent the change towards Feminine Hygiene Usage and Products. The term "feminine hygiene products" often refers specifically to items or goods that a woman uses during her menstrual cycle. These products include tampons, sanitary pads, menstrual cups, sea sponges, and others designed to manage the symptoms of a woman's menstrual cycle. Also **Shamlata P. Borkar** (Asha Supervisor) of **Anganwadi Kendra Heti** gave importance about Sanitary Pads and use of **four or five pads** for at least the recommended 7 hours of sleep at night during process of menstrual cycle. These factors that might make women's want (or need) to use more: Exercise.

## REPORT

### International Yoga Day

**International day of yoga** is also called as the **world yoga day**. United Nations General Assembly has declared 21st of June as an International Yoga Day. India is considered to be around 5,000 year old mental, physical and spiritual practice. **Yoga was originated in India in ancient time when people were used of meditation to transform their body and mind**. Launching a particular date of practicing yoga all across the world and celebrating as yoga day was initiated by the Indian Prime Minister to the United Nations General Assembly.

The 5<sup>th</sup> International Yoga Day was celebrated by **NSS wing of Vidarbha Institute Of Technology (VIT)**. Started the session at 10.15 a.m. with warm-up exercises which were followed by several Asana, the session ended at 11.30 a.m. with meditation. Around 47 students of different branches had participated in this activity.

Dr. Sanjay S Uttarwar, Principal explains the importance of Yoga with demonstration, according to him **"Yoga is very necessary and beneficial for all human being if it is practiced by all on daily basis in the early morning"**, Yoga Day is celebrated to let people know that regular yoga practice lead to the **better mental, physical and intellectual health**. It positively changes the lifestyle of the people and increase the level of well-being.

### VIT Celebrate Women Wellness Program

**2019 March 30 :** Women wellness programs are company initiatives, activities, or policies that aim to improve the health of their employees. Typically, their aim is to decrease absenteeism and increase worker productivity, though other sought-after outcomes include higher engagement, more positive attitudes toward work, lower churn rate, and reduced healthcare-related costs.

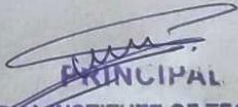

Wellness programs vary widely from office to office and even person to person. Classic wellness initiatives include online health tests, and Women's employee benefits.

More recently, the idea of workplace wellness has expanded from fitness and nutrition to include mental and emotional health, psychological safety, financial wellness, family care, professional growth and more.

The **Vidarbha Institute Of Technology (VIT)**, had Women wellness programs with full enthusiasm. On this occasion, Dr.Sweta Deoskar had delivered speech on Women's Empowerment & Women wellness programs and had also explained the importance of the necessity for bringing gender equality.

**Mr.Jitesh.N.Maheshwari** (Chairman,VIT), said, "Today's women realize their strengths and abilities and step out in order to contribute to the society and the world consequently." **Dr.Pooja Maheshwari** (Secretary, VIT) along with **Dr.G.S.Natrajan** (Director, VIT) and **Dr.Sanjay.S.Uttarwar** had appreciated the efforts taken by the NSS cell of college.

## BLOOD DONATION CAMP – REPORT

A Blood Donation Camp was organized by NSS Unit, Vidarbha Institute of Technology in association with Jeevan Jyoti Blood camp, on March, 21, 2019. The camp began at 11:00 A.M with a short inaugural function. Principal Dr. S.S. Uttarwar encouraged all the donors by saying "Gift of Blood is Gift of Life". NSS Program Officer addressed the gathering, Blood cannot be manufactured - it only comes from generous donors to save the society and mankind, we should come forward for this Noble cause. 47 units of blood were donated by both students and the staff members of our Institution. It is a way of VIT gesture in bringing a ray of hope to alleviate the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing first time donors at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

Name of the Activity/Event- Blood Donation camp

Date of Activity/Event 21-03-2019

Organized by/Name of the committee NSS UNIT/VIT

Event objectives 1. To collect blood units but also to make students aware about blood and its benefits.

2. It was an effort to motivate students to come forward and donate for this noble cause.

3. First time donors need to be encouraged so that once the initial hesitation/ fear goes away, the donor will look forward to such camps in near future too.

4. To help anyone, in case of any requirement for blood.

### Blood donation camp by NSS Unit witnesses good participation

■ Staff Reporter

THE Nation Service Scheme (NSS) Unit of Vidarbha Institute of Technology (VIT) had organised a Blood Donation Camp in association with Jeevan Jyoti Blood Bank.

The camp was a huge success and saw active participation from students, faculty and Non-Teaching Staff of Vidarbha Institute of Technology.

According to Prof. Kasim Ali Saiyed (NSS Program Officer), many of our students had participated in this blood donation camp which was an encouraging indicator of voluntarism and awareness.

In today's scenario, where the need

Dr. Sanjay Uttarwar along with other faculties and students at camp.

for safe blood is steadily on the rise, the Nation Service Scheme Cell of College and all donors are indeed serving the society in a way that deserves acknowledgement and appreciation.

Dr. Sanjay S. Uttarwar, Principal of Vidarbha Institute of Technology said, "If the younger generation comes forward to give blood voluntarily, there will be no dearth of blood worldwide."

He further added that "When you donate blood for an unknown person, the artificial barriers of caste, creed, religion and languages are demolished. It is indeed a very fulfilling experience."
